

Wren V. McCallister, M.D.

Edmonds Orthopedic Center
7320 216th Street Southwest
Suite 320
Edmonds, Washington 98026

Telephone: (425) 673-3900 (office)
Telefacsimile: (425) 673-3910 (office)
Internet/e-mail: www.edmondsortho.com

EDUCATION

A.A.S. Shoreline Community College, Seattle, Washington
B.S. University of Washington, Seattle, Washington
B.A. University of Washington, Seattle, Washington
M.D. University of Washington School of Medicine, Seattle, Washington (Thesis Honors)

POSTGRADUATE TRAINING

General Surgery Internship:	University of Washington Affiliated Hospitals Seattle, Washington
Orthopaedic Surgery Residency	University of Washington Affiliated Hospitals Seattle, Washington
Fellowship, Hand & Upper Extremity Surgery	University of Washington Hand Surgery Institute Seattle, Washington

SELECTED HONORS & AWARDS

- Victor Frankel Research Award (best research paper/presentation at 2005 University of Washington Resident Research Days)
- Victor Frankel Research Award (best research paper/presentation at 2004 University of Washington Resident Research Days)
- Abstract selected for 19th Annual Resident Research Competition, 2004, Smith & Nephew Orthopaedic Division
- Abstract selected for 18th Annual Resident Research Competition, 2003, Smith & Nephew Orthopaedic Division
- Abstract selected for 17th Annual Resident Research Competition, 2002, Smith & Nephew Orthopaedic Division
- Frank B. Smith Research Award, 2002, North Pacific Orthopaedic Society
- Research Scholarship Award winner, 2001, American Academy of Neurological and Orthopaedic Surgery
- Joseph H. Boyes Award (best research paper at Resident and Fellow meeting), American Society for Surgery of the Hand, 2000
- Thesis Honors, University of Washington School of Medicine, 2000
- Harold Lamport Biomedical Research Prize, University of Washington School of Medicine, 2000
- Robert L. Van Critters Thesis Award, University of Washington School of Medicine, 2000
- Phi Beta Kappa, 1996

PROFESSIONAL ORGANIZATIONS

American Academy of Orthopaedic Surgeons
American Society for Surgery of the Hand
American Association for Hand Surgery
Washington State Medical Association
Snohomish County Medical Society

TEACHING RESPONSIBILITIES

Courses Taught

1. 2004 Orthopaedic Boot Camp, Splinting Workshop Leader, University of Washington Department of Orthopaedics and Sports Medicine.
2. Outpatient Orthopaedics for the Primary Care Physician, Physical Exam Instructor, Museum of History and Industry, March 7-8, 2003. (Sponsored by the University of Washington Department of Orthopaedics and Sports Medicine).
3. 2002 Orthopaedic Boot Camp, Suture Workshop Leader, University of Washington Department of Orthopaedics and Sports Medicine.
4. Introduction to Clinical Medicine I, Physical Diagnosis Instructor, University of Washington School of Medicine, 2000.

RESEARCH FUNDING

Nationally Competitive Research Grants

1. American Society for Surgery of the Hand, Research Grant, "Using Intact Nerve to Bridge Peripheral Nerve Defects: An Alternative to the Use of Nerve Grafts." \$7,884, Co-Investigator: Thomas E. Trumble, M.D., University of Washington, September 1, 1999—August 31, 2000, (total for one year).
2. Orthopaedic Research and Education Foundation, Resident Research Award, "Toward Clinical Application of the Intact Nerve Bridge Technique: Longer-Term Study in a Rabbit Model." \$15,000, Co-Investigator: Thomas E. Trumble, M.D., University of Washington, January 1, 2001—December 31, 2001 (total for one year).
3. Orthopaedic Research and Education Foundation, Resident Research Award, "Overcoming Nerve Defects by Growth Factor Stimulated Regeneration Along Intact Nerves." \$15,000, Co-Investigator: Wren V. McCallister, M.D., University of Washington and Thomas E. Trumble, M.D., University of Washington, July 1, 2000—June 30, 2001, (total for one year).

4. AO North America, Resident Trauma Research Grant, “Central Screw Placement in Simulated Scaphoid Waist Fractures: A Biomechanical Study.” \$3,140, Co-Investigator: Thomas E. Trumble, M.D., University of Washington, 2002—2003 (total for one year).
5. Orthopaedic Research and Education Foundation, “Journal of Bone and Joint Surgery Resident Journal Club,” \$2,500, Mentor: Seth S. Leopold, University of Washington, 2003—2004 (total for one year).
6. AO North America, Resident Trauma Research Grant, “Stability after Pin versus Dorsal Plate Fixation for Intra-articular Distal Radius Fractures: A Biomechanical Investigation.” \$3,740, Co-Investigators: Thomas E. Trumble, M.D. and Douglas P. Hanel, M.D., University of Washington, 2004—2005 (total for one year).
